BROADWAY CONNECTION EXPERIENCE

with

ALEXANDRA FROHLINGER

A New York based singer, actor and dancer, Alexandra was born and raised in Winnipeg, Canada. She trained at the Royal Winnipeg Ballet School and has studied and performed in all styles of dance. Alex has a BFA in Musical Theater from the Boston Conservatory and has worked all over North America as an adjudicator, performer, and master teacher. As a performer, Alex is currently on tour with Rodgers and Hammerstein's "Cinderella." She was on Broadway as a featured ensemble member in the musical "Soul Doctor." She also toured the USA, Canada, and Japan playing the first "singing" Anybodys on the First National Tour of "West Side Story" (and teaching for the Broadway Connection). Alex is so thrilled to be back on the road connecting with performing and teaching the Broadway artists of tomorrow with Broadway Connection!
