Random Notes:

- Please continue to bring your own H2O / Water Bottles to dance...gotta stay hydrated and not waste a bunch of water cups!
- New registrations are closed for Recital Classes. You may ADD technique classes (with openings) to your schedules at any point.
- Make sure you've marked your calendars for the **16th Annual Grace Studios Spring Recitals!** We will have **three shows** this Spring:
Dress Rehearsal – Thursday, June 7th 3:30-10:00pm
Recitals – Friday, June 8th at 6:30pm, Saturday, June 9th at 1:30pm and 7pm
Rehearsal and Recitals are at the Pinnacle Performing Arts Complex. Dates and Times subject to change. Specific call times and show orders will be published in May. Most info coming soon!
- If you feel so inclined, please let your friends know what you think of GSSD. We'd love you to post a positive review of us on Grace Studios School of Dance Facebook Page and for our website.
- In the next few weeks, the dancers will continue bringing home their Spring Recital Costumes. Please be sure to label all parts of your costumes and then hang them up for safe keeping until the recitals/pictures.
- With the "Spring Showers" that we hope to get these next few months, please refrain from walking onto the dance floor with wet shoes! This is for the safety of the dancers and the preservation of the marley flooring.
- Please check our lost and found, it's overflowing again! All items will be donated at the end of the season.
- Follow us on social media - Facebook and Instagram to keep up to date on all things GSSD!

During March, the GSSD Company competed at SHOWSTOPPER competition and virtually every dance we brought scored in the top 10, including overall wins (in their divisions and age groups) for Sam and Madelyn's duo, Georgia and Devin's duo, and Juliana P's solo! March also saw IDA's evening length show, "Pause", and some of our adults danced in the New Breed Show "Oh No She'd Didn't". Way to go GSSD!

We hope all the dancers and their families had a wonderfully relaxing and recharging Spring Break! As we head into the busy months of April, May and June, we need all the dancers to continue to show strong commitment, effort, drive and attendance! Your hard work will pay off, and we are excited to get back into the studio and finish off this awesome year strong! Please commit to coming to not only your Company and Recital Classes, but your **TECHNIQUE CLASSES** (they're just as important and necessary) If you have to miss a tech class, make it up in a different tech class!
