

Happy Winter Break, Grace Studios!

GSSD is now officially on Winter Break after a wonderful first semester of dance! I know I've said this before, but we witnessed so much growth in our dancers, and we are truly inspired by them! They inspire us create, to challenge the dancers technically and artistically, and to give them our time, energy, sweat and love each and every time they come into the studio. Dance is just great, isn't it?!?

As we head into Winter Break and the New Year, we are busy building new lesson plans, editing music and creating new choreography. In an effort to continue to challenge and produce well-rounded, versatile dancers, we feel it is important for them to be exposed to as many of our wonderful faculty as they can. Therefore, as usual, many of our classes will be getting a different instructor for this semester. Please feel free to look at the online schedule to see any changes to your dancer's schedule. We constantly try to keep things fresh, new and exciting for the kids...and switching up teachers is one great way to accomplish that!

If you are currently enrolled in a class, you do not need to re-enroll for the Jan-June session. There are a few new classes and openings in our schedule. If you would like to add a class, please do so ASAP to reserve your spot. We have several new classes we are offering as well:

We hope you have a wonderful holiday season with your family and friends! Don't forget to keep dancing and practicing on your own...the new semester is just around the corner (and competition season!!!) ... Merry Christmas, Happy Holidays and we'll see you in 2019!

With Love from Christy and the Entire GSSD Faculty
